Full analysis

Overview

Café com Yaoi is a Portuguese-language content portal for yaoi manga, manhwa, manhwa, webcomics, doujinshi, and adult-rated works, presenting project updates, chapter listings, community features, and social-channel access for readers.

Scam/Impersonation Risk

No contradictions were observed. The homepage presents a coherent media-community purpose, with named manga projects, status categories, chapter updates, login and registration functions, and no financial, cryptocurrency, phishing, or brand-impersonation indicators. External reputation checks were clean, supporting the conclusion that the site is a legitimate established content portal rather than an impersonation or scam operation.

- The homepage identifies the service as “Café com Yaoi” and provides structured manga categories, project statuses, chapter listings, and adult-content labels.
- The domain was registered on 2020-08-18 and is approximately 5.96 years old.
- The site has 65 archive snapshots spanning 2020–2025, with six years tracked and no suspicious repurposing detected.
- The homepage showed no detected malicious, phishing, blacklist, or impersonation findings.

Regulatory Verification Notes

The site operates as an informational media portal, and the supplied pages show no paid financial or investment model requiring the type of licensing associated with financial services. No clear licensing or corporate-registration disclosure is presented in the supplied content; this is a minor transparency point rather than evidence of misconduct. A third-party broker-data check produced no match.

- The homepage’s stated activity is manga publication and community engagement, with no evident financial or investment offering.
- The site is served through AS13335, operated by Cloudflare, Inc.
- TLS is issued by WE1 using Domain Validation (DV), with validity through 2026-10-22.
- No broker-dataset match was recorded.

What to Verify Next

For institutional use, confirm that the site’s published manga content is appropriately authorized and that its community and social-channel operators correspond to the same site. Where account access is required, standard password hygiene and recovery-channel checks remain appropriate.

- The homepage includes login, registration, password-reset, and comment functionality.
- The content model is community-oriented and includes adult-rated works, making content-rights and age-appropriateness checks relevant.
- The homepage links to WhatsApp, Telegram, and Instagram channels that can be cross-checked for continuity.

Summary Verdict

The website presents a coherent, established, and trustworthy informational service with no observed scam or impersonation contradictions. Normal interaction, including account login and standard use, is appropriate.

Infrastructure Integrity

Cloudflare CDN and WAF protection front the site, with observed traffic terminating on Cloudflare edge infrastructure rather than an exposed origin address. This reduces direct origin exposure and is a positive mitigating control, while remaining infrastructure protection rather than proof of legitimacy.

Closing Assessment

Prospective users may interact with the site normally, subject to ordinary account-security practices and the site’s adult-content context.

About this assessment

A trust score summarises the evidence TrustSniffer could collect about cafecomyaoi.com.br at assessment time. It is a starting point for your own judgement, not a guarantee: a high score means the signals were consistent with a legitimately operated site, a low or critical score means several risk patterns were present.

TrustSniffer assesses a website from the evidence it can collect at a point in time: domain registration and age, hosting and certificate, the content the site served, and third-party reputation feeds. A score is a summary of that evidence, not a guarantee and not a legal finding. There is no human rating and no user review in it. A site can change after it is assessed.
